CobiNet OD 12/24 splice box/distributor housing

Features:

- Dimensions (W x H x D): 200 x 235 x 67 mm
- Material: Structured ASA, extremely resistant plastic, impact-resistant and weatherproof
- Colour: RAL 7035 (light grey)
- Protection class according to IEC 60529: With IP 54 protection
- Lid lock by means of latching hooks with possibility for sealing
- Splice cassette for easy assembly and maintenance with maximum possible protection of fibres with out-crossing option and storage for excess fibre length
- In the case of splicing designed for 12 fibres, 24 outgoing fibres possible as a distributor housing with optical coupler

- Option of installing a profile half-cylinder for integration in your locking system
- Strain relief for cables and patch cables
- Assembly and fixing for gas/water blockers
- Patch cable design with a flexible lamellar seal
- Modular adapter plate with cut-outs for fibre-optic couplings 12x ST, FC, DIN (LSA); 9x LC-DX, SC-SX, E-2000®-SX, MTRJ; 6x SC-DX, E-2000®-DX, LC-QD
- Equipped with: Couplings, pigtails, splice cassette, splice holder, splice cassette cover
- Couplings inserted or screwed down, pigtails inserted into couplings and laid into splice cassette with secondary coating removed
- Colour code according to IEC 60304 (12 colours)
- Fixing option for optical couplers
- Cable entry with metric screw connection: 2x M20 screw connections and option of using 2x M25 screw connections

Item	Number of splice cassettes	Number of fibres	Cable entries
OD12 splice box/distributor housing	1	12	2x M20; M25 possible
OD24 splice box/distributor housing	1	24	2x M20; M25 possible
