

RoHS & WEEE conformity

Dear Ladies and Gentlemen,

this letter is written to provide you with a binding statement on prohibited and declarable substances in products, components, materials, material preparation, production aids and packaging materials.

RoHS-Compliance:

The materials used for our products keep without exception all material prohibitions in the RoHS 2 (EU Directive 2011/65/EU: restriction of the use of certain hazardous substances in electrical and electronic equipment). Since May 9th 2013 the "Regulation on the Restriction of Hazardous Substances in Electrical and Electronic Equipment (Waste Electrical and Electronic Equipment Substances Ordinance -ElektroStoffV)" implements the directive in national law.

WEEE-Compliance:

Furthermore, we are committed to comply without exception with EC Directives 2002/96/EC on waste electrical and electronic equipment from January, 1st 2006 and to identify the products in question and using the enclosed note with the crossed out wheelie bin.
